

Staff Space Survey
Please return to EGG commercial building habitats

Your position _____

What is your current space?

Cubicle ___ Office ___ Out based (Specify) _____ Other _____

How many drawers do you have? _____

Is that number too many? ___ about right? ___ not enough? ___

Do you store items in other areas? ___ yes ___ no

If yes, what is the largest thing that you store? (give approximate dimensions)

Which office/facility attributes are important to you?

meeting space ___ storage space ___ office machines ___ kitchen ___

outdoor space ___ other specify _____

Does your current building/space meet your needs for those attributes? ___ yes ___ no

If no. please explain.

Over the next several days/weeks, we will be asking employees about what they would like to see in your reconfigured space. Please let EGG know what you think by answering the following questions.

IF you could do one thing, or maybe two, to the space that would make your job easier or more enjoyable, what would that be?

From your perspective, what changes could EGG make to the space that would have the most impact on your staff?

Please give any comments, suggestions, ideas, or concerns. You are EGG's best resource!

Thank you for your time!
